Department of Human Services-Binagek

Mission Statement:

The Department of Human Services of the Little Traverse Bay Bands of Odawa Indians is committed to the support and preservation of all aspects of family life, and to wrapping our services around the Anishnaabek communities. We will help restore holistic balance by calling upon existing resources of elders, trained professionals, traditional and spiritual leaders to empower individuals and families, and strengthen the circle of life as envisioned by our Odawa ancestors.

Heather Boening, Director
