

Aanii Fellow Citizens. I am Beatrice Ann Law, I am asking for your vote so I may serve the Anisnishinabe People as a member of the LTBB Tribal Council. My past record reflects my dedication and desire to serve our Odawa Nation.

I believe in our Waganakising Odawaka and our sovereign right as a Nation to be a self-governing people who follow the Anisnishinabe ways. Positions I have held on past councils are; the first legislative leader, vice chair for two past chairs, secretary/treasure and many council committees. I have always given community service on many occasions.

I believe in adherence to the LTBB Constitution as our guide and direction when developing laws, policies and procedures. Also, as a guiding principle when conducting Council responsibilities.

As an elected official I pledge to represent all LTBB Odawa Citizens, young and old, and in between. Plus, those Citizens vocal and the silent majority, as I have in the pass. I pledge to work with all of the Legislative Branch and the Executive for the betterment of economic development. One of my greatest desires and goal is to establish Odawa Schools and Early Childhood School on our land where the government buildings stand.

When elected I will continue the hard work ethics I have established over the years. I rarely miss meetings and will continue that practice. I will serve with pride and dignity as I serve our Odawa Nation.

Miigwech, for your **YES VOTE** and support.
