Little Traverse Bay Bands of Odawa Indians
Department of Human Services
LTBB Tribal Citizen Emergency Assistance Fund Policy

The LTBB Emergency Assistance Fund is designed to provide limited financial assistance to citizens of the Little Traverse Bay Bands of Odawa Indians who are in emergency situations.

Applicants who are LTBB tribal citizens (or parents/legal guardians of minor LTBB tribal citizens) may access emergency funding every two years. The Emergency Assistance Fund is intended to assist in the event of an emergent or crisis situation when no other funding source is available. Situations that qualify are those events that have a significant impact on a person's health, safety or welfare or may pose a threat to the health, safety or welfare of the individual if assistance is not available.

Emergency funds are available on a first come, first served basis and are typically scheduled to be available on a quarterly basis beginning in January. Amounts awarded will not exceed \$450.00.

Applications are considered complete when the requestor submits the application and necessary additional documentation. Applications will not be processed until completed. Please pay special attention to the check sheet provided to ensure that all information is complete and includes all necessary supporting documentation.

A request does not guarantee funding. Applications will be taken as long as there is funding available. If funding is no longer available, applications will not be received until the next quarterly funding cycle.

Applications can be filed in person, via US mail, faxed to (231) 242-1635 or emailed to DHSapplications@ltbbodawa-nsn.gov.

If you have questions, please contact the LTBB Department of Human Services at (231) 242-1620.
