## **Career planning: The 4 kinds of workplaces**

*04/24/2017 10:10 AM EDT*

According to the World Happiness Report, happiness in America is on the decline. In 2007 we ranked among the 3 happiest countries, but just last year in 2016 we came in as number 19. The good news? Several key aspects of our happiness are in our control. One way to improve overall happiness is finding the right workplace environment. A recent Harvard Business Review gives us a rundown of the four major categories of successful and productive organizations and how they work for their employees. The company as community. This workplace facilitates trust, teamwork, and peer loyalty. The needs of ...
