Re: Land Contract at 3617 Zhou Noong

Concerning the Land Contract between Issac and Boddi Dillard for the home located at 3617 Zhou Noong Circle, Harbor Springs MI. The Dillard's are no longer in possession of the home or able to meet the obligations of the land contract. The LTBB Housing Department has taken possession of the home and we consider the land contract and residential ground lease to be voided. The home was returned peacefully by Issac Dillard to the Housing Department and no legal action has been taken in this case.
