

WAGANAKISING ODAWAK STATUTE #2017-002
GENERAL WELFARE

SECTION I. SHORT STATUTE

This Statute may be cited as the “General Welfare Statute,” and it repeals and replaces any prior Statute or Regulation in conflict with this Statute.

SECTION II. PURPOSE

A. The Tribe provides Assistance to Applicants and desires to affirm its sovereign right to do so on a non-taxable basis, pursuant to the General Welfare Doctrine. Both the United States Congress, through its enactment of the Tribal General Welfare Exclusion Act of 2014, and the Internal Revenue Service, through its traditional application of the general welfare doctrine and subsequent guidance, has recognized the sovereign right of Indian tribal governments to provide financial assistance to its citizens under certain circumstances on a non-taxable basis.

B. The purpose of this Statute is to set forth the guidelines for programs that are used by the Tribe to determine what services or programs are needed to promote public health, safety and other basic need services for the promotion of the general welfare of the Tribe, such as food, utilities, housing, education assistance and other such functions that support the long historical and cultural general welfare of the Tribe.

C. The purpose of this Statute is to establish basic guidelines and procedures for programs to follow in ensuring compliance with the general welfare doctrine and Internal Revenue Code Section 139E for 1) Applicants applying for Assistance and 2) Tribal staff making eligibility determinations for Assistance. Further, it is the intent of the Tribal Council that all Assistance provided under this Statute:

1. Is made under an Approved Program;
2. Is available to any Applicants who satisfy the program policies, subject to budgetary restraints;

3. Is made under an Approved Program that does not discriminate in favor of members of the Tribal Council;

**SECTION V. GENERAL WELFARE DOCTRINE AND IRS REVENUE PROCEDURE

B. In addition, the Service, in IRS Revenue Procedure 2014-35, provided for safe harbor programs under which, if approved and in writing, need would be presumed and qualifying benefits would be excluded.

All amounts budgeted by the Tribe for Assistance shall remain general assets of the Tribe until such payments are disbursed.

D. Assistance authorized by this Statute shall be an unfunded arrangement and shall be limited to funds appropriated, at the discretion of the Council.

F. Without limitation, the following benefits shall be treated as non-taxable hereunder:

SECTION VI. NON-RESOURCE DESIGNATION

A. Assistance to Applicants shall be made from the assets of the Tribal government and all payments are subject to the availability of budgeted Tribal government funds.

B. The Tribe does not guarantee Assistance under this Statute. Assistance shall not be treated as a resource of an Applicant for any purpose.

SECTION VII. GOVERNING LAW; SOVEREIGNTY

A. All the rights and liabilities associated with the enactment of this Statute, or the Assistance made hereunder, shall be construed and enforced according to the laws of the Tribe and applicable federal law.

B. Nothing in this Statute or the related policies or procedures adopted for its implementation, if any, shall be construed to make applicable to the Tribe any laws or regulations 1) which are otherwise inapplicable to the Tribe, or 2) from which the Tribe is entitled to exemption because of its sovereign status.

SECTION VIII. FEDERAL TRUST OBLIGATIONS

A. The Tribe reserves the right to provide Assistance in circumstances where federal funding is insufficient to operate federal programs designed to benefit Applicants and when federal funding is insufficient to adequately and consistently fulfill federal trust obligations.

B. The Tribe's adoption of its Approved Programs is not intended to relieve or diminish the federal government of its funding and trust responsibilities. Nothing herein shall waive the Tribe's right to seek funding shortfalls or to enforce the trust rights of the Tribe and its citizens. The Tribe shall be entitled to government-to-government consultation and coordination rights in regard to this Statute with the federal government.

SECTION IX. TRIBAL COUNCIL APPROVED PROGRAMS

A. The Tribal Council shall designate Approved Programs for which funds will be budgeted each fiscal year, consistent with the purposes of this Statute. Each Approved Program shall be consistent with the General Welfare Doctrine as to purpose, eligibility, and funding.

B. Tribal Council reserves the right to cancel, adjust, modify or revoke any Assistance provided by the Tribe in accordance with the Budget Formulation Statute, including *Allocation of General Fund Balance, Supplemental Funding Process, Budget Modifications, Emergency budgets/Recessions, and Systematic Reductions of Budgets.*

SECTION X. PURPOSE OF APPROVED PROGRAMS

Each Approved Program shall be limited to purposes consistent with treatment under the General Welfare Doctrine. An Approved Program must be established and operated to promote the general welfare of the Tribe, including programs designed to enhance the promotion of health, education, self-sufficiency, self-determination, Tribal character and the maintenance of culture and tradition, entrepreneurship, and employment.

SECTION XI. ELIGIBILITY AND APPLICATION PROCEDURES

Assistance intended to qualify for General Welfare Doctrine treatment shall be limited to enrolled citizens of the Tribe and qualified non-citizens. Each Approved Program shall set forth the specific eligibility rules and limitations applied to that program. The Executive shall present program descriptions and policies, which include eligibility rules and limitations, to the Tribal

Council for approval in accordance with this Statute. Only those descriptions and policies that are so approved by the Council shall be considered to be in force and effect.

SECTION XII. LIMITED USE OF ASSISTANCE PAYMENTS

All Assistance must be used for the purpose stated in the Approved Program description and policy. In the event that Assistance is used or pledged for a purpose inconsistent with the purpose set forth in an Approved Program or the Applicant's application, the payment will be deemed forfeited. The Administrative Entity responsible for the Approved Program under which the misused Assistance was made shall secure repayment from the Applicant. The Administrative Entity is also authorized to offset any other payments owed to such an Applicant, if an offset is necessary to secure repayment of Assistance under this Statute.

SECTION XIII. PROGRAMS NOT LIMITED TO MEANS TESTING

Programs that qualify under Code Section 139E or the IRS Safe Harbor shall not require a showing of individual need or means testing in order to achieve non-taxable treatment under the General Welfare exclusion. The Tribe also reserves the right to provide community-based Programs and programs based on non-financial needs under the General test so that no individual means testing is needed. The Tribe recognizes that means testing can distort certain tribal cultural and community values. However, the Tribe can have some programs which are financial need based in order to help those most in need of the assistance.

SECTION XV. ANNUAL BUDGETING: UNFUNDED PROGRAM

When applicable per program requirements, the Council shall annually designate those funding sources that are available for Approved Programs as part of the annual budgeting process. Notwithstanding anything to the contrary, the Assistance authorized hereunder shall be "unfunded" for tax purposes and no Applicant shall have an interest in or right to any funds budgeted for or set aside for Approved Programs until paid. Assistance funds shall remain assets of the Tribe until distributed and the Approved Programs shall be administered at all times to avoid triggering of the doctrines of "constructive receipt" and/or "economic benefit."

The Executive may also forfeit Assistance should said Assistance be treated as a resource detrimental to the Tribe or an Applicant. In the event of any such forfeiture, all Assistance provided to the Applicant pursuant to this Statute shall be deemed a loan and shall be enforceable as such. Such loans may be subject to taxation, including any amount for the forgiveness of a loan.
