

CALL FOR PHOTOGRAPHS FROM LTBB COMMUNITY

LTBB Aankwadong Project, of the Gijigowi Anishinaabemowin Language Department (GALD), is seeking photographs from community members to use in the development of their online classes. The goal is to have as many different individuals, families and areas represented as possible. See the list of photos needed below. For each photo submitted, and used, GALD will enter the contributor's name in a gift card drawing to be held Fall 2020. All photos need to be originals, taken by either the person submitting them or their relative. Photos must be clear, good quality digital photos.

Email your photo(s) to Eva Oldman, Aankwadong Project Coordinator, at evoldman@ltbbodawa-nsn.gov. Please include your name, phone contact, name of person who took the photo and name of person in the photo.

Miigwech for contributing to this exciting project!
