

## **Little Bay De Noc Subsistence Harvest Update**

2023 Consent Decree Updates require your attention for subsistence fishing in Little Bay De Noc (Grid 306, Figure 1). Some important updates for fishing regulations from March 1<sup>ST</sup> to May 14<sup>TH</sup> are listed below:

- Any interested fisher must obtain a 24hr permit for subsistence fishing in Little Bay De Noc from the LTBB NRD. Please contact the front desk (231) 242-1670 or stop by in-person. This permit is additional to the base subsistence fishing license.
  - o Permit is valid from sunset to sunset for your desired fishing dates.
  - o License holders are restricted to 10 permits per 30 days during this period.
- Net restrictions: from 2024 and onward, subsistence fishing in Little Bay De Noc from March 1<sup>st</sup> to May 14<sup>th</sup> fishers are restricted to one (1) one-hundred foot (100') gill net.
- Bag Limit: 20 fish of any species.
