*If you select **checking**, please attach a voided check or a copy of a check for each checking account. The agreement represented by this authorization remains in effect **until canceled by the applicant**. It is the applicant's responsibility to confirm receipt of their direct deposit with their financial institution. The applicant's name must appear on the account. If any action or inaction taken by the applicant results in non-acceptance of a direct deposit by the designated financial institution, LTBB will not process a replacement check until the amount of the non-accepted deposit is returned to LTBB. Please notify LTBB Accounts Payable if your account has been closed. In the event an erroneous payment is sent to your financial institution, LTBB reserves the right to reverse the transaction through the financial institution and debit your account for an amount not to exceed the erroneous payment.
